Transportation

AN OVERVIEW OF DEI GOALS AND COMPLIANCE ON NJ INFRASTRUCTURE PROJECTS

Did you know that a goal of 10% (or higher) of the total amount of all contracts for building, materials, equipment, or services for projects funded by the New Jersey I-Bank must be awarded to Socially and Economically Disadvantaged Businesses (SED's)?

This panel of representatives from the New Jersey Departments of Environmental Protection; Transportation and Board of Public Utilities will engage in a deep dive discussion regarding the SED program and what their respective Departments are doing to ensure diverse businesses have access and equity in participating on state construction projects.
