

# Is your company inclusive enough to be diverse?

*The Capital Region Minority Chamber of Commerce is launching a new initiative to advance Inclusion, Diversity, Equity, and Accessibility (IDEA).*

The **D.A.S.H.** Business Advancement Engagement™ series is ideal for any size company seeking to transform and enhance quality service through the lens of diversity, equity, inclusion, and accessibility. **IDEA** work is the responsibility of all employees at every level of your business. The focus is to develop your company assets for successful habits in which all employees can thrive. Your business's commitment to **IDEA** must speak before you say a word.
