

May 2024

The Capital Region Minority Chamber of Commerce proudly announces its Annual Golf Classic on Monday, June 24th, 2024, to be held at Mountain View Golf Club, 890 Bear Tavern Road, Ewing.

The CRMCC mission is to encourage a business climate in which all businesses can benefit from the knowledge and experience of their fellow members and peers. New Jersey ranks seventh among states with the largest number of minority-owned businesses and tenth for women-owned businesses throughout the country. Minority- and women-owned businesses account for half of the non-agricultural business in the US. There are a number of chambers which represent minorities and women on an individual basis within the state; however, none in this area can offer the comprehensive package and direct connection to the Capital City as CRMCC. More than any other firms, minority and women-owned businesses look to a Chamber's leadership to build a better, more amenable environment in which to succeed in business.

We are hoping that you will be able to provide a donation for our raffle prizes, such as a gift basket, sporting event tickets, gift card to a restaurant, discount card to your business. For your donation, we will be sure to highlight you or your organization on our website, and the day of the event. Our tax ID is 27-3942691 for your filing purposes. You can also view us online at www.capitalregionminoritychamber.org.

Again, thank you for your support of CRMCC. If you have any questions, please call Robert Voldase at 908-500-8113 or email at Robert.voldase@bauschhealth.com or call Herb Ames at 609-610-7693 or email at herb@capitalregionminoritychamber.org.
